

INDIAN INSTITUTE OF SCIENCE

Bangalore - 560012.

JOB OPENINGS

(1) OPENING FOR THE PROJECT ASSISTANT POSITIONS:

Project Details: Two project assistant positions are available for the project on microfabrication of pressure and chemical sensors in the Department of Instrumentation and Applied Physics, Indian Institute of Science.

Qualification requirements: Applicant should have a BE / MTech Degree in ECE / EE / Instrumentation or any other relevant field.

Technical skill: Knowledge of electrical measurements, basic programming languages, and/or fabrication

Salary: As per the norms, begins at a monthly salary of Rs. 31,000 + 24% HRA

Duration: 1-2 years

(2) OPENING FOR THE POSTDOC POSITION:

Project Details: The project is on device fabrication of optoelectronic sensor for the detection of gas molecules in the Department of Instrumentation and Applied Physics, Indian Institute of Science.

Qualification requirements: PhD degree in Physics / ECE / Instrumentation or any other relevant field

Technical skill: Knowledge of microfabrication, device measurements in field effect transistor, Knowledge of optoelectronic measurements, handling of optical instruments, candidate with any of these or all skills are invited to apply for the position, programming language.

Salary: As per the norms, begins at a monthly salary of Rs. 47,000 + 24% HRA

Duration: 1-2 years

Interested candidates can send a detailed
CV to Prof. Abha Misra : abha@iisc.ac.in
