Paper 2 – PLANNING SESSION

(Time allowed: One hour)

(Maximum Marks: 5)

*This sheet is one part of the Question Paper containing two Questions. It gives you instructions regarding planning your work. Candidates are required to attempt **any one** question. The other part of the Question Paper will be handed over to you during the **Examination Session**.*

*Candidates need to plan a complete menu during the **Planning Session**. Any **two** dishes from the planned menu (showing different methods of cooking) have to be cooked during the **Examination Session**.*

*Candidates would need to display their dishes prepared with a suitable setting during the **Examination Session**.*

*Candidates would also need to prepare a flower arrangement / floor decoration during the **Examination Session**.*

Attempt *any one* of the following questions:

[5]

Question 1

- (a) Plan a meal for your Parents' Silver Wedding Anniversary. A colour theme and a traditional dish typical of your region may be included in the menu.
- (b) Display the dishes prepared with a suitable table setting.
- (c) Prepare a flower arrangement / floor decoration suitable for the theme to complement the dishes prepared.

OR

Question 2

- (a) Your sister's promotion is being celebrated at a picnic spot. Plan a suitable packed meal for the celebration.
 - (b) Display the dishes prepared.
 - (c) Prepare a bouquet of flowers to congratulate your sister.
-

This Paper consists of 2 printed pages.

Food tables and recipe books may be used, both in the Planning Session and the Examination Session, but frequent reference to them must be avoided during the Examination Session.

You are required to:

- (i) Write the dishes that you decide to make (try to choose familiar but interesting dishes which would give you scope to show your skills).
- (ii) Indicate the quantities of the main ingredients required (a full recipe is not necessary).
- (iii) On a separate sheet, make a list of ingredients along with the total quantity of each item required.
- (iv) Complete the plan of work to show the order of working, the methods to be used, and the length of time required for cooking. Frozen, tinned and packaged foods (i.e. convenience foods) may be used with discretion, but enough work must be planned to show your skills.

Write your UNIQUE IDENTIFICATION NUMBER (UID) and the Index Number on your plan and list.

At the end of the Planning Session, the original plan and list are to be handed over to the Examiner.
