16. Read the extract and answer the questions :

Print culture has popularized the ideas of enlightenment thinkers. The writings of these thinkers such as Thomas Paine, Voltaire and Rousseau were widely printed and read during the times. Collectively, their writings provided a critical commentary on tradition, superstition and despotism. They argued for the rule of reason rather than custom and demanded that everything be judged through the application of reason and rationality. They attacked the sacred authority of the Church and the despotic power of the state. Thus eroding the legitimacy of a social order based on tradition. The writings of Voltaire and Rousseau were read widely : and those who read. These books saw the world through new eyes, which were critical and rational.

Questions :

- (a) Discuss in brief the effectiveness of Print Culture. 1
- (b) Do you agree that scientific ideas were circulated through print ?
If yes, discuss. 2
- (c) To what extent did the print culture has paved the way for French Revolution ? 2
