PART - I

(Each question carries 1 score)

Questions 1 - 6 : Read the excerpt from 'Adventures in a Banyan Tree' and answer any FOUR questions that follow. 1x4=4

Though the house and grounds of our home in India were Grandfather's domain, the magnificent old banyan tree was mine-chiefly because Grandfather, at the age of sixty-five, could no longer climb it. Grandmother used to tease him about this, and would speak of a certain Countess of Desmond, an English woman who lived upto the age of 117, and would have lived longer if she hadn't fallen while climbing an apple tree. The spreading branches of the banyan tree, which curved to the ground and took root again, forming a maze of arches, gave me endless pleasure. The tree was older than the house, older than Grandfather, as old as the town of Dehra, nestling in a valley at the foot of the Himalayas.

1. 'The magnificent old banyan tree was mine . . .' Why does the boy think so ? 1

2. How does the grandmother tease the grandfather ? 1

3. Which town is referred to in the passage ? 1
