cause of the trouble is the fear that proper care of the child is not taken in the house, or sufficient interest is not shown to him. But if the parents were wise, they would correct the faults of their children by paying more attention to them. Whatever is the case, one thing should never be done. The bad things in the children should never be repressed, that is they should not be compelled to change for the better under fear of the rod. Physical punishment does not improve them. It only makes them worse than before.
