Suddenly another man on horseback came rushing towards him. He had a gun in his hand. "Give me all your money or I will shoot you." He had a lot of money. He knew that he would lose all. Suddenly his horse turned round. The man shot him. But nothing happened. He realized that the gunpowder was wet and would not work. He charged his horse and rode safely away.

He thanked God for the rain. If there was no rain he would have certainly lost his wealth. God protected him sending the rain. So one should know that God will be there, even in little things to protect us.
